

SIVARAMAKRISHNA REDDY MUKKALA

+91 9346019573 ◇ poonamalle, Chennai

srkreddymukkala@gmail.com ◇ [linkedin.com](https://www.linkedin.com) ◇ [Github](https://github.com)

OBJECTIVE

A motivated and detail-oriented individual proficient in Java, Python, SQL, and software testing. Experienced with MySQL, JDBC, and development tools like VS Code. Eager to contribute to project success through problem-solving, leadership, and time management skills.

EDUCATION

BE in Computer Science, SIMATS Engineering, Chennai 2021-2025
CGPA: 8.5/10

Intermediate(MPC), Vidya Bharathi Jr College, Sathupally 2019 - 2021
Percentage: 85

SSC, Z.P.S.S, B. Gangaram 2018 - 2019
Percentage: 78

SKILLS

Programming Languages	Java, python, Sql
Databases	JDBC, Mysql
Developer Tools	Google colab, Vs Code, Spss, MS Office
project Management Skills	SDLC, Software Testing
Soft Skills	Problem-solving, Leadership, Adaptability, Time Management

PROJECTS

Machine Failure Prediction Using Machine Learning Algorithms. Developed a predictive maintenance solution to enhance operational efficiency in Industry 4.0. Implemented continuous data collection from machine sensors, preprocessing data for analysis, and applying machine learning algorithms. Demonstrated that the XGBoost algorithm outperforms others in predicting machine failures, improving accuracy and reducing downtime. ([Verify](#))

Developed a Java Swing-based SmartQuiz App with multiple-choice questions. Implemented 'Next' and 'Bookmark' features using event-driven programming with ActionListener. Displayed final score in a dialog box, showcasing skills in Java OOP, Swing GUI, and event handling. ([Verify](#))

ACHIEVEMENTS

- Presented research on an Advanced Machine Failure Predictive Maintenance System using Machine Learning techniques at the 5th International Conference on Computational Intelligence and Industry 5.0 (ICCI 2024), Velammal College, April 3, 2024 ISBN: 978-81-967851-7 8. ([Verify](#))
- Second Place – TECH TALK Event (Feb 2025) Secured 2nd place in the One-Day National Level Technical Symposium "NEURONEX'25", organized by Vel Tech University. Awarded a cash prize of 2500 for outstanding performance. 8. ([Verify](#))

CERTIFICATIONS

- Oracle Cloud Infrastructure 2024 Generative AI Certified Professional from the Oracle Corporation, recognizing expertise in Oracle Cloud Infrastructure Generative AI solutions. ([Verify](#))
- Successfully completed the Technical English for Engineers course. Certified among 4,282 candidates during Aug-Oct 2024 (8-week course). [RollNo: NPTEL24HS175S656310783]. ([Verify](#))
- Completed Beginner SQL on CognitiveClass.ai, powered by IBM Developer Skills Network. Issued: July 17, 2024 ([Verify](#))
