Matthan Bird

AI Specialist - Senior Analyst - Natural Language Processing

Waxhaw, NC 28173

Professional Summary

AI Data Specialist | Conversational AI Architect | LLM Strategist

Innovative and cross-functional AI professional with 6+ years of experience in AI architecture design, Conversational AI deployment, and NLP/LLM development across enterprise-scale IVR systems. Adept at integrating ML/GenAI solutions into legacy infrastructure, driving digital transformation, and optimizing customer interactions through data-driven strategies. Demonstrated success in stakeholder engagement, product strategy, and leading multi-disciplinary teams through the full AI/ML lifecycle from ideation to production. Passionate about bridging technical AI capabilities with practical business impact.

CORE COMPETENCIES

- Generative AI & Large Language Models (LLMs)
- End-to-End AI Architecture & Integration (Cloud/On-Prem)
- MLOps | LLMOps | Prompt Engineering
- AI/ML Infrastructure Modernization
- NLP/NLU Design, Training & Tuning (Kore.ai, SpaCy, Huggingface)
- Agile Project Management | Product Design | Cross-Team Collaboration
- Python, SQL, GitHub, TensorFlow, Anthropic, OpenAI Pro
- Platform Expertise: VoiceFlow, Kore.ai, Google Collab, CoPilot 360

PROFESSIONAL EXPERIENCE

AI Business Analyst – Digital Services & CX

Charter Communications (Spectrum), Charlotte, NC

May 2019 – Present

- Lead strategic design and deployment of scalable Conversational AI platforms across the national IVR system, integrating cloud-native tools and advanced NLP to automate high-volume call types.
- Spearheaded automation initiatives reducing average call costs by 30% YoY (2023–2024), generating \$2B+ in cost savings through intelligent self-service.
- Defined architectural frameworks for GenAI-powered modules, including Order Status, Device Financing, and Wearables Activation/Repair, ensuring seamless integration with legacy systems.
- Conducted performance tuning and analytics across LLM/NLU pipelines to enhance task success rates, first-call resolution, and KPI visibility across CX journeys.
- Collaborated with cross-functional teams (Engineering, Data Science, UX, Business) to align project goals, define AI roadmap strategies, and deploy iterative enhancements in agile environments.
- Produced BRDs, design schematics, and deployment strategies for scalable, multi-lingual NLP systems with fallback/edge-case logic built around LLM fallback and contextual awareness.

Customer Service Supervisor – Spectrum Mobile

Charter Communications, Schenectady, NY

May 2019 – Dec 2021

- Managed mobile CX team across billing, activation, and technical repair queues.
- Designed early IVR prototypes, collected VOC data, and co-authored BRDs for Cable and Mobile self-service pathways.
- Facilitated technical documentation, UAT testing, and vendor relations to support AI-driven transformation at the agent and IVR levels.

Lead Analyst – Corporate Escalations

Charter Communications, Albany, NY

Jan 2017 – Apr 2019

- Managed high-risk executive escalations involving potential malfeasance.
- Coordinated directly with legal and executive leadership to analyze data workflows, enforce compliance, and recommend enterprise policy changes.
- Laid early foundations for customer data architecture influencing AI modeling priorities in subsequent roles.

EDUCATION

Juris Doctor (J.D.)

Charlotte School of Law – Charlotte, NC

Graduated: 2016

- Legal Aid 3rd Year Practitioner | Forensic Research Assistant | Military Advocacy Law Society

Bachelor of Science, Interdisciplinary Studies

Russell Sage College – Albany, NY

Maintaining inspection readiness in accordance with NC regulations, company standards, and Steritech guidelines of cleanliness and good practice. Memorizing, implementing, tracking, delegating, and training staff on matters ranging from new menu items, recipe book updates, company promotions, sales goals, cleanliness standards, customer service, equipment use and maintenance, building upkeep, inventory, vendor shipments, daily money handling & deposits, and all duties delegated to me from the GM, DM, or corporate.

Student Instructor

Criminal Justice Services-Charlotte, NC

December 2015 to May 2016

Teaching selected topics of law including: criminal law; criminal procedure; negligence, intentional torts; and strict liability to undergraduate pre-law students at Johnson C. Smith University under the supervision of a licensed attorney and associate professor. Developing lesson plans; researching and integrating supplemental teaching materials; developing tests, oral argument simulations, essay assignments, and grading rubrics in coordination with other student instructors with the guidance and approval of the supervising professor.

NC Bar Association Practice Certified Student Attorney

Ruby Tuesday-Charlotte, NC

August 2015 to January 2016

Represented clients facing summary ejectment or other forms of landlord-tenant disputes in Charlotte-Mecklenburg County under the supervision of a licensed attorney in accordance with third year practice rules. Conducted client and witness interviews, case investigations and discovery, property assessments, and settlement negotiations. Drafted motions, interrogatories, requests for production, and answers and counterclaims. Developed case theories in advance of litigation including: legal research; writing inter-office memoranda; prepping clients and witnesses for direct and cross-examination; and argued before the court.

Research Intern

Criminal Justice Services-Charlotte, NC

July 2015 to December 2015

Providing legal and social science research services and recommendations for court ordered parental capacity evaluations; juvenile transfer evaluations; clinical assessments; capacity to proceed evaluations; involuntary commitment evaluations; competency assessments; and various other forms of case evaluation. Aiding in the construction of a longitudinal, cross-sectional research database that converts over 15 years of case data from hard copies to electronic documents including subject tags for future research and reference purposes. Providing support for the development of training materials; new evaluations tools; community and interdepartmental cooperative programs; case and client advocacy; and various interdisciplinary/multidisciplinary projects and panels. Aiding in the collection and development of resources for academic publishing and grant writing.

Mental Health Specialist, Clinical Adult & Adolescent In-patient Crisis Intervention

Ellis Medicine-New York, NY

December 2011 to August 2012

Crisis intervention counseling for in-patient adult and adolescent psychiatric patients. Interpersonal and group dynamics counseling and patient tracking in Kronos and hard-copy records. Developing cooperative treatment plans and coordinating individual services in accordance with other members of patient treatment teams including psychologists, psychiatrists, medical treatment teams, clinicians, and counselors.

Veterans Service Representative

Dept. of Veterans Affairs, SUNY-SCCC-New York, NY

August 2010 to December 2011

Development of a "one-stop" veterans services office on the SUNY-SCCC campus capable of facilitating all the needs of the local veteran community both on and off campus. This required extensive development of a comprehensive interdisciplinary community network in partnership with various services, agencies, and community outreach programs capable meeting the needs of returning and transitioning military service members and veterans. Services provided included career counseling; academic advising; financial services and counseling; mental health counseling; benefits counseling, handling, processing, and advocacy; referral services; events planning; fundraising; community outreach; management services; networking; and program development. And upon the programs success and subsequent expansion, the supervision and training of 2-4 other Veterans Service Representatives.

Third Class Petty Officer, Honorable Discharge

United States Navy-Groton, CT

November 2005 to October 2009

Three years aboard the attack submarine USS Miami SSN-755 stationed out of Groton, CT as an Electronic Technician specializing in navigation. Duties included piloting the ship as Helmsman/Planesman/Lookout; electrician forward of the nuclear reactor (440v 3-phase and below); atmosphere monitoring; battery storage technician; navigational chart preparation; small arms handling (9mm, 12 gauge shotgun, MK43 MOD 1, and M16a3); and shipboard security.

One year as Master-at-Arms (Naval Military Police) with Naval Submarine Support Command stationed out Groton, CT. Duties included: monitoring and transportation of prisoners and restricted personnel; bailiff duties; hazardous materials handling and disposal; supervision of 900+ personnel; building reconstruction supervisor; budget and contracts specialist; patrol; crime scene and evidence collection; work party scheduling; public works coordination; and law enforcement under both the general law and the Uniform Code of Military Justice.
