Relevant Experience

Deloitte US Consulting

McLean, Virginia

Human Capital Senior Consultant

July 2022 – Present

- Advanced Deloitte's Skills-Based Organization tech perspective, leading collaborative efforts to analyze market trends and align with client needs, resulting in reinforced market presence and successful sales outcomes
- Formulated a robust skills capability model and HR ecosystem accelerators, optimizing digital implementations for clients and delivering successful workforce transformation outcomes through strategic alliances with skills vendors
- Spearheaded USAID's transition to a Skills-Based Organization, by creating an Agency-specific skills taxonomy, architecture, and governance model to standardize skills data and drive optimization across the talent lifecycle
- Defined the future state of sales roles within Deloitte, by designing and executing a new job architecture and compensation reform, and driving increased adoption across the Sales org. ecosystem
- Led a transformative strategy design and implementation for Pfizer Inc., by facilitating cross-functional collaboration, creating a streamlined process, and delivering engaging learning experiences, to enhance content review and approval
- Led comprehensive change management initiatives within Deloitte by executing seamless stakeholder engagement strategies, and driving project management activities resulting in improved efficiency and cost savings
- Implemented strategic recommendations with Hershey and Wells Fargo leaders, to enhance the effectiveness of L&D programs, demonstrating strong stakeholder management, and advanced data analysis techniques
- Designed and delivered milestones programs, visioning labs and train-the-trainer models for Deloitte and external clients, ensuring learning objectives are met, sustained, and consistent across learner populations
- Conducted in-depth forensic analysis to maximize clients' resources, resulting in a highly efficient infrastructure that boosted skill acquisition and empowered the formulation of a potent L&D strategy, driving tangible client success
- Successfully managed large-scale projects for Federal Agencies in rapid response to urgent needs and humanitarian crises and coordinated multi-disciplinary teams to deliver aid efficiently and within tight timelines

The International Foundation for Electoral Systems (IFES)

Washington, DC

Talent Management Director

August 2021 – July 2022

- Led Costpoint and UKG systems change management support for +30 countries through a structured methodology, needs analysis, sponsor roadmap, targeted change, communications, training, and resistance management plans
- Implemented integrated systems for Performance Management, Rewards & Recognition, Learning Management, and Compensation, including conceptualizing the frameworks to align with talent needs and org objectives
- Led IFES' strategic planning review by creating guiding principles, articulating the strategic areas of focus, and setting aligned goals and action plan that led to promoting a learning culture and establishing a compelling EVP
- Designed and delivered training programs, materials, and coaching in conflict resolution, change management, leadership, and team-building workshops to support cultural change and large-scale systems deployment
- Contributed to compliance training and DEI initiatives, partnering with Legal, HR, and Internal Communications teams, to ensure alignment with federal and local regulations, and enhance employee career development

Aspire International

Canada, EU, USA
