PROFESSIONAL EXPERIENCE

Prior Authorization Specialist (Hybrid) *April 2025 – Present*
RIA Endovascular | Greenwood Village, CO

- Promoted from Patient Care Coordinator to Prior Authorization Specialist due to strong performance and attention to detail
- Manage all aspects of prior authorization processes for procedures, imaging, and medications across multiple insurance platforms
- Interpret medical records, procedure codes, and clinical guidelines to support medical necessity documentation
- Collaborate directly with physicians and clinical staff to obtain required clinical data and ensure timely approvals
- Maintain detailed logs of authorization requests, denials, and appeals to track trends and improve success rates
- Serve as liaison between patients, providers, and insurance companies to ensure seamless access to care

Patient Care Coordinator *Nov 2023 - Present*
RIA Endovascular | Greenwood Village, CO

- Provided professional customer service by greeting patients, answering inquiries, and assisting with scheduling office visits
- Managed front desk operations, including checking in patients, collecting paperwork, and maintaining accurate scheduling
- Facilitated patient flow by monitoring appointment schedules and triaging the waiting area
- Assisted with referrals, prior authorizations, and imaging requests to ensure seamless patient care
- Maintained strict confidentiality and compliance with HIPPA regulations
- Utilized multiple computer systems and interfaces to manage patient records and appointments efficiently
- Collaborated with physicians, nurses, and administrative teams to optimize clinic operations
- Maintained a clean, organized, and welcoming waiting area for patients and visitors
- Addressed patient concerns, provided directions, and ensured a positive experience within the clinic

Server & Manager (Promoted) *July 2018 - August 2023*
Texas Roadhouse | Littleton, CO
