Work Experience:

1/1995 - 7/2016 **Washington State Hospital Assn (WSHA)** **Seattle, Washington,**
Director, Disaster Readiness

- Worked with nine regional healthcare coalitions statewide on planning, training and exercise development.
- Organized annual disaster conference: responsible for the entire process, including securing relevant speakers, vendors, budgeting, venue contracts
- Worked with local/regional/state/federal agencies, tribal nations, hospitals/related healthcare agencies, the military, fire, etc. to coordinate use of federal funding from CDC and USDHHS.
 - \$3-5million/year
 - Purchase of equipment, training development, reimbursement to attendees/presenters for training/exercising
 - Conference expenses
- Worked with WSHA policy/advocacy team on disaster-related legislation impacted hospitals and healthcare systems. On occasion, presented testimony to state legislators.
- Helped association staff facilitate WSHA Annual Meeting, retreats for the board of trustees, WSHA Rural Hospital Conference and other meetings, as requested.
- Proofread, edited publications and documents.

9/1983 - 12/1994 **Seattle Area Hospital Council (SAHC)** **Seattle, Washington,**
Operations Manager/Emergency Preparedness Coordinator

As Operations Manager

- Served as assistant to the CEO; trusted with highly-confidential information, written communications with member hospital CEOs/staff, coordinated board meetings/retreats
- Supervised staff and assisted with coordinating the work of the Community Health Access Program (a grant-based program developed by SAHC to provide services to community)
- Handled payroll, taxes, pension, organization expenses, member dues, annual audit.

As Emergency Preparedness Coordinator

- Convened monthly meeting of hospitals, related healthcare agencies, fire, EMS, tribes, etc. to develop response strategies, training and exercises.
- Drew up and distributed minutes; followed-up to ensure plans and activities moved forward.
- Served on committees at local, regional, state, and national levels to ensure hospitals were represented.

NOTE: SAHC dissolution, 12/31/94
