1308 Bridle Rd. | St. Louis, MO, 63119 | 314.961.5443 | jmeckrich@sbcglobal.net

PROFILE

Social Service executive with extensive experience in program development, management, and outcome measurement. Clinical expertise in children's mental health and school based programs. Proposal development skills resulting in program revenue exceeding \$2.5M annually. Exceptional written and oral communication skills including communication with and presentations to senior staff and board of directors. Directed program services and board development at agency regional offices. Effective leadership of community based collaborations focused on local and statewide disaster recovery.

AREAS OF EXPERTISE

Clinical Social Work	Board Development	Community Collaboration
Program development	Fiscal management	Grant development
Program evaluation	Customer Relations	Contract Administration
Strategic Planning	Quality assurance/Utilization review	Risk Management

EXPERIENCE

LUTHERAN FAMILY AND CHILDREN'S SERVICES, St. Louis, MO September 1996– September 2017
Director, School Services and Disaster Response (September 2010 – Present)

Directed staff of 50+ Master's level mental health therapists serving 65 school sites, managing an annual program budget in excess of \$2.5 M.

School Services:

- Member of agency's Senior Staff addressing all aspects of organizational operations and policy development.
- Authored proposals generating over \$13.2M in agency funding resulting in 10,000 students ages 3 to 19 receiving mental health services over a 7-year period.
- Generated over \$2.5M in revenue margins to support agency administrative operations over same 7-year period.
- Expanded program services to include four St. Louis City charter schools, impacting an additional 100 students annually.
- Developed and implemented program productivity standards and quality assurance/utilization review processes.
- Established and enhanced relationships with school district staff and principals across the program.
- Designed and implemented program management structure to maximize both clinical supervisory coverage and program revenues.
- Directed OASIS Intergenerational Tutoring program, annually serving 125 students with 100+ senior volunteers in 20 Lutheran schools in St. Louis area and Southeast Missouri.

Disaster Services:

- Disaster Coordinator for Missouri District of Lutheran Church-Missouri Synod, coordinating the disaster response activities of Lutheran congregations in Missouri.
- Chair for Missouri Interfaith Disaster Response Organization (MIDRO). Coordinated the financial support of various religious denominations to disaster impacted communities across the state.
- Member Governor's Faith-Based and Community Service Partnership for Disaster Recovery.
- Chair St. Louis City/County Long Term Recovery Committee.
- Directed LFCS disaster response activities associated with Joplin and St. Louis tornadoes of 2011.
- Authored the proposal, procured and directed Missouri's first ever federally funded Disaster Case Management Program (DCMP). This was in response to the Joplin and St. Louis tornadoes and statewide flooding in 2011.

Director Regional Operations and Disaster Response (1999 to 2010)

Regional Operations

- Coordinated agency process for two accreditation cycles with the Council on Accreditation for Families and Children.
- Designed and instituted the initial Continuous Quality Improvement program for LFCS.
- Implemented HIPAA compliance program including the development of initial HIPAA policies, procedures and employee trainings. Served as the agency's HIPAA Privacy Officer.
- Developed and managed agency's initial risk management process.
- Led community and advisory board activities for Regional Offices in Southeast, Mid-Missouri, and Southwest Missouri.

JAMES M. ECKRICH MSW, LCSW

PAGE 2

- Directed the development and management of annual regional budgets totaling approximately \$1M.
- Worked with Regional Directors in establishing and nurturing relationships with local United Way agencies.
- Hired and managed the Regional Directors in three regions through ongoing phone conversation and quarterly onsite meetings.

Disaster Services

- Conducted the LFCS response to 2003 tornadoes across the state.
- Maintained and directed a statewide team of disaster volunteers in Missouri and provided disaster preparedness and business continuity training for congregations.
- Directed the Lutheran Disaster Response activities for Hurricane Katrina in Missouri and Alabama:
 - Directed combined staff of 45 in both sites.
 - Managed combined disaster budget exceeding \$4M over the 3-year recovery period.
 - Oversaw the recovery operations in Alabama which included a staff of 40 providing case management, coordination of hundreds of volunteers, reconstruction services, and children's recovery camps.
 - Directed case management and children's recovery camps in St. Louis and Columbia.
- Chair St. Louis City and County Long Term Recovery Committee serving Katrina survivors in the area.

Family Therapist (1996-1999)

BLUE CROSS AND BLUE SHEILD OF MISSOURI, St. Louis, MO
