PROFESSIONAL EXPERIENCE

Acts – Indian River Estates, Vero Beach Florida

2019 – Present

DIRECTOR, SECURITY AND TRANSPORTATION

Oversee CCRC campus security, Emergency Medical Response, CCTV, and Transportation services for 110 acre campus with 900 residents.

Prepares/manages budget for 18 employees, 3 security vehicles and 4 large passenger buses.

Acts as Safety Officer for campus of 400 employees

Liaisons with outside regulatory agencies and local first responders

Reports to Campus Executive Director

Rochester Regional Health System, Rochester, NY

2008–2018

DIRECTOR, CORPORATE SECURITY, EMERGENCY PREPAREDNESS & SAFETY COMPLIANCE (2011–2018)

Develops and directs a multi-year security plan that is responsive to system-wide growth and change for the second largest health system in the Rochester, New York region. Designs and administers the Emergency Management Program and associated training across 71 sites system-wide including two hospital

campuses, doctor practices, behavioral health clinics, senior housing developments, long-term care facilities, and medical laboratories. Ensures safety and security of patients, visitors, and staff while providing an atmosphere that promotes positive patient experience.

- Recommends and directs a budget in excess of \$2 million and a staff of nearly 60.
- Administers federal grant related to disaster preparedness, drill exercises, training; prepare report on compliance.
- Oversees Joint Commission accreditation standards relating to Life Safety and Environment of Care
- Collaborates with federal, state and local law enforcement agencies as well as local fire and emergency services agencies, to drill, plan, investigate, and respond to critical security incidents, community disasters, and regional pandemics.
- Conducts security and disaster exercises in accordance with state and federal guidelines. Implements training and drills such as active shooter, missing persons, mass casualty, hazardous materials, crisis de-escalation, incident command, and more, across the health system.
- Reports to senior leadership.

EMERGENCY PLANNING SPECIALIST, ENVIRONMENTAL HEALTH AND SAFETY (2008–2011)

Developed and coordinated the Emergency Management Program and associated training for an entire health system, consisting of 71 facilities and practices.

- Ensured system-wide compliance with federal, state and local emergency management regulations.
- Developed and maintained liaisons with outside response agencies from municipalities, county departments, and similar entities to facilitate plan development, response effort coordination, and exchanges of personnel and equipment.
- Assisted with life safety and fire marshal duties.
