Professional Experience

CRMD SOLUTIONS (Boston, MA) • **Salesforce Developer & Consultant**, 05/2019 to Present

Joined a Salesforce Partner as a Developer and Consultant to gain exposure to various instances of SMBs across industries. Worked as a project lead, project manager, and business analyst on projects ranging in scope from 30 to 400 hours. Completed projects with both declarative and programmatic solutions with strict time constraints and high expectations by identifying needs, maintaining clear communication, and utilizing agile methodologies. Managed change through technical writing and training. Troubleshot to improve platform performance.

FITNESS REFRESHMENTS CAFE (Andover, MA) • **Marketing and Operations Manager**, 07/2016 to 05/2019

Launched a family owned and operated smoothie bar located in the YMCA's Andover location by managing marketing, technological, and administrative duties. Researched industry standards, market potential, and competition to determine feasibility and produce the business proposal. Increased revenue consecutively through 2 fiscal years by leveraging Excel and administering CRMs to identify opportunities to improve sales. Increased inventory turnover by managing products and vendors, running promotions, and creating ads.

Education

QUINNIPIAC UNIVERSITY (Hamden, CT) • **B.S. Marketing, Minor in Info. Systems** (3.37 GPA)
